White (9910)

Anthracite (7016)

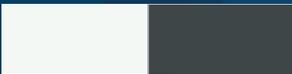

Black (9005)

### Dual Colour Range

White (9910) / Anthracite (7016)

Anthracite (7016) / White (9910)

Ali VU is a super slim line aluminium profile with a polyamide thermal break giving impressive thermal efficiency.

Ali VU's strong super slim frame has a depth of just 38mm (fixed light) or 66mm with standard vent and is available in sizes up to a maximum of 1400mm x 1400mm, to give the widest views and maximise daylight.

### Extensive range of styles

-  Double or single swing doors, open out or open in
-  Standard Threshold, same profile all around, rebated low threshold option
-  Glazing options 28mm to 48mm
-  Flat Vent, Radius Vent or Stepped vent to complement the Ali VU Window Option
-  Standard colours  
RAL 9910 White / RAL 7016 Grey
