NOTES

.....

.....

.....

.....

The profile we will be using will be Senior Architectural Systems 68mm profiles, mechanical or cleated joints, external or internal glazing with black gaskets.

The Glazing beads are 28mm as standard and Standard glazing units are A rated.

IMPORTANT NOTICE

Before ordering, please ensure that you are familiar with our products and specifications as we will not accept responsibility for want of knowledge in the event that items do not meet your requirements.
